

# NEXGEN

WE LIFT YOUR RESPONSIBILITIES

## Business Aircraft Management

- Business aircraft experienced professionals 24/7.
- Safety is foremost and a priority at all levels.
- “Platinum Concierge Service”.
- Asset Preservation & Management every step of the way.
- Detailed financial control and reporting.
- Full planning with notice of all required inspections.
- Complete and thorough maintenance record keeping and log books kept up to date and accurate.
- Full compliance with all OEM service letters & bulletins and FAA airworthiness directives (AD’s).
- Liaison with OEM representatives for warranty work — billing adjustments and for maintenance consultation.
- FAA diamond & AMT award winning A&P aircraft technicians...trained to OEM Standards.

WITH NEXGEN YOU’LL HAVE A TEAM OF SEASONED BUSINESS AIRCRAFT VETERANS MANAGING EVERY ASPECT OF YOUR BUSINESS AIRCRAFT.

**WE TAKE CARE OF EVERYTHING:** PRE-FLIGHT, POST-FLIGHT, MAINTENANCE, REGULATORY & INSURANCE REQUIREMENTS.

“ Fly when you want...  
**NEXGEN on duty!** ”
